

Available electronics stock for sale at LCL Electronics

A wide variety of excess stock available now.

Due to increased demand and orders, we need to free up space in our production facility to make room for new inventory stock. Here is a list of available stock items and quantities available. Please keep checking back as we will be updating the list regularly over the next few weeks, or join our twitter feed and keep an eye out for notifications. If you have any queries or would like to buy any items from the list please contact Philippa Mason via email: PhilippaMason@lcelelectronics.co.uk
